

-WARRANTY-

Solely for the benefit of the original buyer, _____, **Teledyne RD Instruments (TRDI)** warrants all new products of its manufacture to be free from defects in material and workmanship. **TRDI** will replace or repair free of charge, F.O.B. at its factory in San Diego, California or other location designated by **TRDI**, any part or parts returned to it within one year of original delivery, which **TRDI**'s examination shall show to have failed under normal use and service in an environment that would have been non-corrosive to the instrument housings. For the purposes of this warranty, a non-corrosive environment can include either fresh or salt water, so long as the instrument housings are protected against abrasion or other loss of their protective coatings, and the instrument housings are held at an electrical potential relative to the water that will minimize corrosion (e.g., with zinc anodes). Furthermore, if the instrument were connected electrically to any external equipment, the connection must have been made in such a fashion that the protective electric potential was not diminished in effect.

For those parts or components of a product which **TRDI** does not manufacture itself but which are acquired from other vendors, the duration or times of this warranty given above shall not exceed those of the vendor's warranties for such parts or components.

This warranty applies to all goods manufactured by **TRDI** and is included in the Terms and Conditions contained in sales documents of **TRDI** which Terms and Conditions set forth the provisions which govern all sales made by **TRDI**. This warranty also applies to all other activities performed by research, design, design and development, joint development, field engineering, field testing and operation training and is the **ONLY WARRANTY GIVEN FOR THE SALE OF PRODUCTS OR SERVICES. NO WARRANTIES IMPLIED IN LAW, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR PARTICULAR PURPOSE, SHALL APPLY. IN NO EVENT WILL TRDI BE LIABLE FOR CONSEQUENTIAL DAMAGES RESULTING FROM THE PURCHASE OR USE OF TRDI PRODUCTS, OR RESULTING FROM ANY DELAYS OR FAILURE OF PERFORMANCE OF TRDI UNDER ANY AGREEMENT, OR RESULTING FROM ANY SERVICES FURNISHED BY TRDI.**

This warranty may not be modified, amended, or otherwise changed except by a writing properly executed by an officer of **TRDI**.
